IN THE MATTER OF DISCUSSION)

Solar projects

The Commissioners listened to the concerns of Huntington County residents regarding the proposed solar projects – both in favor and in opposition. Many people shared recommendations related to setbacks, buffers, and other items they would like the Commissioners to consider. Bob Bolen provided literature for the Commissioners and Plan Commission to review.

Several people spoke who were in favor of the solar projects and would like the Commissioners to consider their stance as well.

Trenea Roudebush, representing EDF Renewables (Paddlefish and Bowfin projects) stated that she is willing to talk about protections they put in place and that they can craft projects to meet ordinance requirements.

The Commissioners stated that they will continue to work with the land-use attorney on this matter.
